## Conducting Interviews with Child Victims of Abuse and Witnesses of Crime

A Practical Guide

Mireille Cyr

This book is a practical and thoughtful guide for the forensic interview of children, presenting a synthesis of the empirical and theoretical knowledge necessary to understand the account of child victims of abuse or witnesses of crime. It is a complex task to interview children who are suspected of being abused in order to gather their stories, requiring the mastery of many skills and knowledge. This book is innovative by the constant links that are made between the results of the research into interviewing and understanding the accounts of child victims of abuse or witnesses of crime and its significance for the interventions made to the field.

## Policing Public Disorder

David Waddington

This book provides an understanding of the causes and management of public disorder. It seeks to describe and explain the processes by which the police interpret and respond to instances of public disorder, to account for variations in their strategies and tactics, and to identify the conditions in which police interventions (or inaction) may serve to enhance or reduce the potential for wider confrontation. It will be essential reading for anyone with an interest in policing, crowd behaviour and issues around public order and disorder.

## The Psychology of Effective Studying

How to Succeed in Your Degree

Paul Penn

This book provides a vital guide for students to key study skills that are instrumental in success at university. It uses a combination of research from cognitive psychology, humour and practical examples to convey where students often go fundamentally wrong in their studying practices and provides clear and concise advice on how they can improve. The book covers time management, academic integrity, writing essays, team work, and other key required skills for academic study. Written in a humorous and irreverent tone, and including illustrations and examples from popular culture, this is the ideal alternative and accessible study skills resource for any student at undergraduate level.
